AQUA WHISPER MINI

The perfect solution for the small workhorses at sea

The low-hassle Aqua Whisper Mini is engineered to be easy to install and have the capacity to produce enough water for up to 10 persons per day.

The Aqua Whisper mini is found in tug boats, crew transfer vessels with low water capacity, fishing vessels and cargo ships with up to 8-9 crew members.

AQUA WHISPER MINI

AQUA MATIC

For the hands-on boater

Aqua Whisper Pro's high pressure pump is engineered to be quieter than conventional high pressure pumps, and operates for 2,500 hours before any maintenance is required. The affordable high demand watermaker for vessels with up to 15-18 crewmembers. This unit is often used on line fishers, trawlers, guard vessels and small expedition vessels.

CORAL SEA

An an industry standard for over 35 years

Designed to provide installation flexibility, superior performance, and extended service life in the most rugged conditions. Designed for 24/7, continuous duty applications, where reliable fresh water supply is critical.

CORAL SEA
